1. The Gdynia Repair Shipyard has been extended, which necessitated re-arrangement of existing buildings and the erection of new ones.
2. The redistribution of buildings is shown in the attached sketch  It will be seen that the main new buildings are located from 25 to 33. 25X1
3. It is expected that during 1954 the shipyard will be extended in an easterly direction along the Silesian Wharf (Nabrzeze Slaskie) and that some administrative buildings will be transferred from their present location to the south side of ul. Sw. Piotra.
